To Whom It May Concern,

As a citizen that was born, raised, educated and created a business in Montgomery County, the time is right to elect Jeff Smith as our next Sheriff. My endorsement for Jeff Smith is not based on party politics, popularity or just because he is a good human being, rather on his extensive law enforcement and emergency management background. I've had the honor to serve as Montgomery County's Emergency Medical Services Coordinator for well over ten years. During those years, three of them were under the direct supervision of Jeff Smith. His level of professionalism and leadership always shined during some of the worst moments.

Additionally, our paths crossed during Jeff's time as Undersheriff and mine while on the school board at the Greater Amsterdam School District. As a former Board of Education member / President, Jeff ALWAYS took the time to speak to our students on various topics, never declining to take time out of a busy schedule for our youth.

It is my honor and privilege to publicly endorse Jeff Smith to become our next Sheriff! He is a man of honor, true dedication and is very capable of bringing the Sheriff's Office to a necessary level of excellence!
