

To Whom It May Concern:

October 8, 2018

Jeff Smith has proved on numerous occasions that he has the knowledge, ambition and leadership skills to serve our community as the next Montgomery County Sheriff. I'm honored to publicly endorse Jeff Smith, who is not only a colleague and friend, but a true asset to our community.

Jeff has over 30 years of experience serving and guiding our residents through his roles in fire service, law enforcement and as Director of Emergency Services.

Jeff is not just a leader, he's a team player. His motivational attitude and dedication is contagious. His work ethic and experience make him a role model for staff. These qualities define a person we can depend on and who we should elect as our next Montgomery County Sheriff.

Jeff Smith has always been "Ready to Lead" and has my enthusiastic support this November.
