Rocco Deperno
Attorney

The members of the Amsterdam Police Superior Officers Association proudly endorse Jeffrey Smith for the position of Montgomery County Sheriff.

Smith has been a dedicated law enforcement officer, Director of Emergency Management, a committed volunteer fireman and will be a great sheriff for Montgomery County. His dedication to the community and public safety has been demonstrated and well documented throughout his nearly 30 years of service to Montgomery county. Smith is not one to sit and wait for things to happen. He has a clear vision, an understanding of his purpose and he actively pursues goals that benefit other people. He looks for reasons why we can succeed rather than excuses for why we cannot.

Jeffrey Smith shares our belief that government's number one responsibility is to protect its citizens. Smith and the members of this Association truly recognize that the safety of our citizens is a direct result of the relationship between county government, our community and law enforcement.

Our members friends, neighbors, co-workers and families will be asked to support this candidate because of his commitment to law enforcement in our communities.

Please join us in November by casting your vote for Jeffrey T. Smith for Montgomery County Sheriff.

Sincerely,

Lt. Thomas Nethaway
President
